INTERNATIONAL EXHIBITION

Municipal Exhibition Halls – Rue Saint Sébastien, Biot Village

The Biot International Glass Festival will host an international exhibition in its Municipal Exhibition Halls, made up of works by artists selected by a panel of judges and work by guest artists.

This exhibition will run for 5 months (From monday 1st august 2022 until december 2022).

In order to participate in it, you just need to complete this application and submit it together with the required documents.

A panel of judges, made up of arts and crafts professionals will make blind selection from among the applications received.

The exhibition halls are equipped with plinths of varying sizes, showcases, picture rails (subject to availability) and lighting. The artist is responsible for delivery of the works (the week before the exhibition) and their removal (the week following the end of the exhibition).

- ❖ I undertake to make my works available throughout the entire duration of the exhibition (i.e. from 23rd september to the end of december 2022)
- ❖ I undertake to cover the cost and take all responsibility for transportation of my works to and from the exhibition during the installation and dismantling phases and to be abide by the set time frames.
- ❖ I undertake to comply with the Municipal Exhibition Halls' installation terms and conditions.
- ❖ I certify that my photos are free from copyright.
- ❖ I am aware that my application will come into effect after my application has been confirmed by the panel of judges.

NB : Only fully completed applications will be considered

Documents to enclose with your application for the International Exhibition:

- This application form, signed and dated
- Photos (or sketches/display) of the works on show or a catalogue (which can be returned upon request, following the assessment of the application by the panel of judges)
- A summary of your biography for publicity material
- A proposal regarding the setting for your works (dimensions of the display plinth or showcase, picture rail and lighting, subject to availability)
- Information required by the municipality for the purposes of insurance for the works (title, technique or materials used, size, weight and price of the works)
- Proof of professional indemnity insurance for 2022

I certify that I am covered by professional indemnity insurance, in particular for the Biot International Glass Festival, or I undertake to take out an insurance policy with a generally well-recognised company.
